

Asshurt: Asset Protection

Asset Protection Application

Thank you for showing interest in becoming part of the Asshurt Team! Before you start filling out this application, there are a few things you should know:

1. **Asshurt is a volunteer effort.** No income or salary is provided as compensation for anyone's involvement.
2. **Asset Protection Department must have investigation skills.**
Members in the Asset department must be able to investigate cases to determine if staff are abusing their power and not following server rules and our terms of service and properly determine punishments and report abuse from team leads to the team lead of this department.
3. **Previous infractions count.** If you have any account associated with you that has infractions, they may be factored into the decision of your application

As a Member of the Asset Department, you will be working with various services that we use to keep our community and fun for players of all ages. Your work will require you to serve as an investigator for staff disputes, and above all else, protect children from the dangers of online communication.

We are searching for people who have sound moral judgement with a passion for protecting kids, as well as fair technical ability to easily learn the interfaces used for protecting our assets.

Position Requirements:

- Must be at least 16 years of age.
 - Have a deep understanding of the Asshurt Terms of Service.
 - Service Whitelist (if user has) must be in good standing.
 - Must be able to handle explicit language and inappropriate content.
 - An intermediate technical ability to understand the software and interfaces used for the dispute process.
 - A background in security, asset protection or loss prevention is preferred but not required.
 - The ability to coach and lead employees and demonstrate best practices by leading by example.
 - Integrity and honesty.
 - Self-starter with the ability to work independently, show initiative and work in a team environment.
